

Status: AB 1572 has been referred to the Committee on Appropriations.

Position: Oppose Unless Amended

AB 1594 (Garcia) Medium- and heavy-duty zero-emission vehicles: public agency utilities. will ensure that publicly owned electric, water, and wastewater utilities have a pathway to procure zero-emission medium- and heavy-duty vehicles everywhere feasible, while maintaining the ability of publicly owned utilities to rely on their fleets to provide reliable service and respond to emergencies. This bill would require any state regulation seeking to require procurement of medium- and heavy-duty zero-emission vehicles by a public agency utility to ensure that those vehicles can support a public agency utility's ability to maintain reliable water and electric services.

Status: AB 1594 passed out of the Senate Transportation Committee on July 11 and will next be heard in the Senate Appropriations Committee.

Position: Support

SB 366 (Caballero) The California Water Plan: long-term supply targets. Would establish long-term water supply targets for the State to achieve, require a financing plan, and would update the requirement that state agencies develop a plan to achieve those targets, in consultation with local water agencies, wastewater service providers and other stakeholders.

Status: SB 366 is now a two-year bill.

Position: Support
