# CONSTRUCTION NOTICE

August 19, 2021

## Site Preparation Work and Deliveries

Mesa Water District's construction of the SCADA Control Room and Wet Lab Upgrade at its Mesa Water Reliability Facility (MWRF) will resume in October. The new facility will allow Mesa Water staff to host educational programs and tours at the MWRF.

In preparation of the construction work, Mesa Water will install a temporary trailer at the MWRF from August 23-24, 2021.

## Project Activity During Construction

- Deliveries of trailer equipment
- Installation of temporary trailer
- Site preparation

## Potential Impacts

- Some noise during work activity

## Traffic Management & Access

- Through-traffic on Gisler Avenue will be accessible at all times
- Driveway access, trash and delivery services will not be affected

## Background

Mesa Water District provides potable water for a population of about 110,000 within an 18-square-mile service area that includes Costa Mesa, portions of Newport Beach and portions of unincorporated Orange County.
